

**NCI Post-Treatment Surveillance Workshop  
March 26-27, 2018  
Shady Grove, National Cancer Institute**

Day 1: March 26, 2018

- 8:00 AM Introduction and Meeting Objectives  
Lalitha Shankar, MD, PhD
- 8:10 AM **Plenary 1: Overview of current issues in post-treatment surveillance to set the stage for the purpose of the workshop**
- NCI Perspectives  
Jeff Abrams, MD
- Post-treatment surveillance in breast cancer: Time for a change?  
Daniel Hayes, MD
- 8:50 AM **Plenary 2: Current issues in imaging in post-treatment surveillance**
- Overview  
Mitch Schnall, MD, PhD
- Anatomic Imaging  
Larry Schwartz, MD
- Molecular Imaging  
Annick Van den Abbeele, MD, PhD
- 9:40 AM Break
- 10:00 AM **Plenary 3: Current issues in liquid biopsy in post-treatment surveillance**
- Overview  
James Carl Barrett, PhD
- Howard Scher, MD
- Siraj Ali, MD, PhD
- 10:50 AM **Plenary 4: Current issues from the patient perspective in post-treatment surveillance**
- Overview  
Paul Jacobsen, PhD
- Erin P. Schabert

Janet Freeman-Daily

11:50 AM Panel Discussion  
Barry Kramer, MD

12:20 PM Charge to Breakout Groups  
Lalitha Shankar, MD, PhD

12:30 PM Lunch

1:30 PM Breakouts

***Breakout 1: NSCLC – Surveillance post treatment NSCLC***

**Moderators: Shakun Malik, Geoffrey Oxnard**

Valsamo Anagnostou, Caroline Chiles, Corey Langer, Joel Neal, Constantine Gastonis

***Breakout 2: Prostate – Improving clinical outcomes after definitive treatment of localized prostate cancer – going beyond a routine PSA follow-up?***

**Moderators: Howard Parnes, Howard Scher**

Bhupinder Mann, Stephen Freedland, Thomas Hope, Christopher Sweeny, Felix Feng

***Breakout 3: Breast – Post-treatment surveillance in breast cancer: Identifying patients at risk for early vs. late recurrence***

**Moderators: Larissa Korde, Joe Sparano**

Susan Harvey, Kevin Kalinsky, Ben Park, Joseph Sparano, Erin Price

***Breakout 4: Colon – Post-resection management of low vs. high grade colon cancer***

**Moderators: Carmen Allegra, Scott Kopetz**

Max Diehn, Axel Grothey, Stan Hamilton, Lori Henderson, Scott Kopetz, John Marshall, Lorraine Pelosof, Mark Rosen, Larry Rubenstein, Asad Umar

***Breakout 5: Testicular – Post-treatment surveillance of testicular cancer***

**Moderators: Nita Seibel, Lindsay Frazier**

Darren Feldman, Matthew Murray, David Vaughn, Stephen Voss

Day 2: March 27, 2018

8:30 AM Introduction to Breakout Reports  
Lalitha Shankar, MD, PhD

8:40 AM **Breakout 1: NSCLC – Report and Discussion**  
Shakun Malik, Geoffrey Oxnard

9:10 AM **Breakout 2: Prostate – Report and Discussion**  
Howard Pines, Howard Scher

9:40 AM Break

- 10:00 AM            **Breakout 3: Breast** – Report and Discussion  
Larissa Korde, Joe Sparano
- 10:30 AM            **Breakout 4: Colon** – Report and Discussion  
Carmen Allegra, Scott Kopetz
- 11:00 AM            **Breakout 5: Testicular** – Report and Discussion  
Nita Seibel, Lindsay Frazier
- 11:30 AM            Wrap-up and Next Steps  
Jeff Abrams, MD, Barry Kramer, MD
